**1 in 7 women in NSW will  
develop breast cancer.**

Having a breast screen every 2 years is the best way to find breast cancer early.

Screening with BreastScreen NSW is for women with no symptoms. If you are experiencing symptoms such as a lump, nipple discharge or persistent new breast pain, please see your doctor without delay.

This initiative is delivered by  
Westmead Breast Cancer Institute.

**Book your free breast  
screen online by scanning  
the code or call 13 20 50.**

## **Early detection saves lives.**

**Call 13 20 50 to book your  
FREE breast screen!**
